About the course

This course is suitable for **all farmers and growers**, whether or not you already have experience of school visits, and **countryside/outdoor education staff**. The course has three units: (1) preparing for countryside visits; (2) food, farming and the countryside in the National Curriculum; and (3) talking to pupils and teachers. As part of the course, you will prepare a portfolio for assessment by the Open College Network. Bilingual tutor support will be available outside the course sessions and you may complete your portfolio in English or Welsh. More information is available at www.cevas.org.uk.

Costs

The course is free, but there is a £50 fee for optional accreditation afterwards. This fee is payable later.

How to book

Please contact FACE for a booking form and return it as soon as possible. The course will run from 9.30am till about 4pm and drinks and a light lunch will be provided.
